Consequences of Bus Conduct Referrals:

- First Referral: Warning: The driver verbally restates behavior expectations and issues warning citation.
- Second Referral: The student is suspended from the bus until conference has been held with the student, parent/guardian, and MIDCO staff.
- Third Referral: The student receives a 5-10 day suspension from the bus. A conference with MIDCO staff, student, parent, and the principal will be scheduled. A behavior contract will be made with the student and a bus seat may be assigned. Further violations will be considered severe violations.
- Severe Violations: Any severe violation will result in the immediate suspension of the student from the bus up to a one-year expulsion from the bus. A hearing will be scheduled with the student, MIDCO staff, parent/guardian, and principal.

Referrals must be signed by parent and principal before student will be allowed to resume riding the bus.

In all instances, the appeal process may be used if the student and/or parent/guardian desires.

The superintendent will establish other regulations as necessary for the safe conduct of students riding district school buses or other forms of district transportation. Such regulations will be available to all parents and students and posted in each school bus or other district vehicle.

Students who violate bus rules of conduct may be denied the use of district transportation.
