

Substance/Drug Abuse

1. All athletes are required to agree to following the requirements of the district's letter of agreement for high school athletes.
2. Suspicion that this letter of agreement has been violated will result in immediate investigation.
3. If the administrator during such investigation has a reasonable belief of the violation of this policy, a student may be immediately suspended from the team.
 - a. If the administrator has a reasonable belief based upon individualized suspicion of possession by consumption of a substance identified in policy JFCI, the administrator may request that the student submit to urinalysis, or a blood test by a competent medical laboratory, or medical services provider. If the student refuses, the student shall be immediately suspended.
 - b. Upon a result of an urinalysis or blood test which discloses the presence of a substance identified in policy JFCI, or the student refuses such testing, the student shall be removed from that sport for the season.
4. Parents shall be notified at each step of investigation and procedure. Parents are encouraged to participate and cooperate in each step of the application of this policy.
5. Health and law enforcement agencies may be involved in a non-enforcement capacity.
