

Gervais School District 1

Code: **KC**
Adopted: 12/20/90
Readopted: 12/19/91, 7/15/93

Community Involvement in Decision Making

The Board endorses the concept that community participation in school affairs is essential if the school system and the community are to maintain mutual confidence and respect and work together to improve the quality of education for students. It therefore intends to exert every effort to identify the community's desires and to be responsive, through its actions, to those desires.

All district citizens will be encouraged to express their ideas, concerns and judgments about the school through such means as:

1. Written suggestions or proposals;
2. Presentations at hearings;
3. Responses to surveys made through interviews; written instruments or other means;
4. Comments at Board meetings; and
5. Service on citizens' advisory committees.

The public advice will be given careful consideration. In evaluating such advice, the first concern will be for the educational program as it affects students. The Board's final decisions may depart from public advice when, in the judgment of staff and the Board, such advice is not consistent with goals adopted by the Board or with good educational practice, or within available financial resources.
