

Gervais School District 1

Code: **ECB**
Adopted: 4/14/92
Revised/Readopted: 7/15/93

Building and Grounds Maintenance

Safety and economy of operation require effective maintenance of the district's physical facilities. The superintendent is charged with the responsibility of caring for and protecting their facilities. The safety committee shall systematically inspect the building, equipment, playgrounds and playground apparatus to ensure adequate maintenance. Dangerous or unsafe conditions shall be remedied as soon as possible.

Teachers and students shall be responsible for the safe use of the building, grounds and equipment in the classrooms and other areas in which they teach. Teachers and students shall report promptly to the principal any defects in building, furniture, playground apparatus or other equipment that may prove injurious to the comfort, health or safety of students.

The superintendent will develop and execute a continuing program of maintenance for all district-owned buildings and grounds. This program will be administered in such a manner as to preserve the district's capital investment and to prevent deterioration due to lack of proper care. The program will include:

1. Planning for buildings and grounds improvements and additions as approved by the Board;
2. An adequate custodial program;
3. Improvement and maintenance of school grounds and fields;
4. Repairs and painting;
5. Determination and disposal of obsolete equipment.
