Looking back at the class of '73's past four years at Gervais, you can plainly see that this group of students has truly earned a place in the halls of Gervais as a class long to be remembered.

The class wasted no time in showing itself unique as freshmen by winning the spirit stick jointly with the seniors for the 1969-70 high school year. In their sophomore year they broke tradition by winning Homecoming, and they won it again their senior year.

From this class Gervais has obtained many valuable players who have added to Gervais's fine reputation for athletic skill and sportsmanship.

Throughout their four years the class continued to distinguish themselves as leaders of many school and community organizations.

The senior breakfast was described as a "gastronomical extravaganza" and was thoroughly enjoyed by all who participated. The senior bowling party was an all night affair that ended with eating breakfast and going home.

Now with the closing of their senior year the class of '73 moves on to bigger and better things, but still the memories of Gervais High will linger with them as a warm and cherished time in their lives.
Don't worry Phil, we'll get you a new rubber ducky!
Senior Class Officers: Joanne Belleque, Jo Anne Hillkey, Dina McGarry, Vonda Welty; missing: Marty Petzel, Stan Goehring, Ed Wright.

The class of seventy-four took the big step and became upper classmen with the beginning of the school year.

The class showed their ever-present cougar spirit when they began the year by winning a contest each day during Spirit Week. The highlight of the week for the Juniors was when they were awarded the spirit stick at the Homecoming Assembly. They continued their pep throughout the year and received the spirit stick more times than any other class.

Plans of money-making activities resulted in a unique project, the selling of Christmas candles. The end of the year brought realization of that long-awaited Senior year.

Starting off on the right foot was no problem for the Freshman Class, and after settling themselves down to high school life they began organizing themselves as a class.

ELECTING CLASS OFFICERS, co-sponsoring the Snowball Dance, and raising money were only a few of the projects and new experiences the class of '75 encountered during the year.

Freshman Class Officers, left to right: V. President Jack Belleque, Secretary Sharon Griesenauer, Representatives Allen McConnell and Carla Weathers, Sgt-at-Arms Don Arnold, Treasurer Marie Stevens, President Jerry Haseley, and Sgt-at-Arms Rosie Ruiz.
