

SELF-REGISTRATION INSTRUCTIONS – Gervais School District Parents

Gervais has elected to use the SafeSchools online safety training program to train both professional and parents on school-related safety issues. SafeSchools offers trainings in all facets of school safety issues, and its compliance management system tracks all the training for the district, allowing us to easily demonstrate state and federal compliance with safety mandates. SafeSchools courses have been authored by nationally renowned experts, and has been endorsed by a number of school boards and superintendent associations nationwide.

As a district parent, you have the option to register and take your optional trainings. There are two ways to do this.

Your participation will help to make the Gervais School District a safer place to work and learn! If you have any questions, please contact **Melissa Wolfer, (503) 792-3803**.
