The Office of Child Care received your results for tests completed on faucets or fixtures used for drinking, cooking, and preparing infant formula. Lead test results must be available for parents review.

Results:

Faucet Name	Pass or Fail	Mitigation Strategy	Approved	Retest Date
Day care	Pass		Yes	10/8/22
Daycare Kitchen	Pass		Yes	10/8/22
K2 building drinking fountain	Pass		Yes	10/8/22
K2 building Staff room	Pass		Yes	10/8/22
Sam brown	Pass		Yes	10/8/22

Providers must also reduce children's exposure to lead regardless of results by running faucets 30 seconds to two minutes before using water for drinking, cooking or preparing formula.
