Dear Parents and Guardians

This letter is to provide you important information regarding our upcoming summer school program for your planning purposes.

Due to reduction in funding of Federal and State Programs, we will not be able to offer Summer School to all of our students as an option this year.

We will have about 100 students sponsored through the Federal Migrant Program attending morning Summer School during the month of July.

We will continue to pursue additional funding so the possibility of summer school support for our students may continue/return at a future date.

Thank you all for the continued support of our students and district. If you have any questions regarding this matter feel free to contact the district office at the number above.

Sincerely
Gervais School District Leadership
