

Superintendent Goals

2019-20 School Year

1. Conduct audits of a variety of programs and facilities to determine compliance in relation to state and federal requirements as well as establishing baselines for improvement of existing practices or implementation of new practices to best serve students at each level of their education.
2. Focus on professional development for school administration in order to support their roles within buildings as instructional leaders.
3. Build relationships with a variety of stakeholders including board members, employees, parents, community members, local agencies, and regional partners to provide opportunities for the district to receive input and guidance relative to the school and district improvement plans and the Student Success Act.
