TIME TO MOVE ON

The senior class, following Mr. Gerald Ollila's frequent suggestion to "Knock yourself out!" brought new enthusiasm to the school. They began by winning Spirit Week competition with a comic Talent Show skit and class competition at pep assemblies. Throughout the year the seniors predominated team sport participation. The entire class was given the opportunity to show their enthusiasm when they won, jointly with the freshman class, the Spirit Stick for the 1969-70 school year. A ski trip to Hoodoo Bowl was scheduled for February, and a busload of students headed for the slopes. The year's main project was the annual Senior Snowball Dance held in the cafetorium in December. Spring brought on preparation for graduation and the time for seniors to move on to new experiences.

COMING UP

As upperclassmen the juniors began the year showing their spirit by winning the spirit stick during the football season. With the Junior-Senior Prom to sponsor, the juniors raised money by selling Christmas candles and a bottle drive added to the treasury. One other achievement was the winning of the class competition for the NHS annual food drive. The juniors were able to look back on a good year.

PROSPECTS OF '72

The sophomore class began their class activities early in the year with a candy sale. During basketball season the class sponsored the dance, "'72 Is a Stone Groove." Ian Nelson provided the music for the affair. The year progressed smoothly under the leadership of class officers: President: Dan Whitney; Vice-President: Sue Nusom; Secretary: Joanne Zellner; Treasurer: Kathy Eder; Sergeant-at-Arms: Mark Banning and Rod Ewaliko. The next two years as upperclassmen look very promising for the class of '72.
