

Gervais Willoria

Senior Class

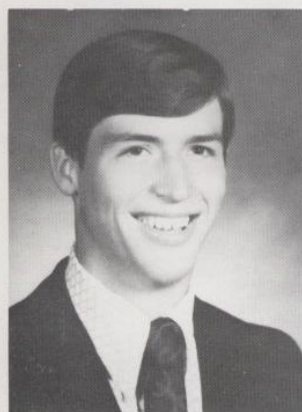

Junior Agüero

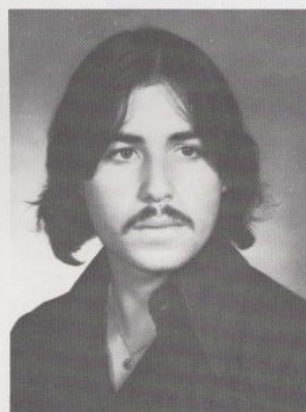

Roma Anderson

The Class of 74 began their last year at Gervais by sponsoring a 50's day and dance. The dance was a big success and profited about \$80.

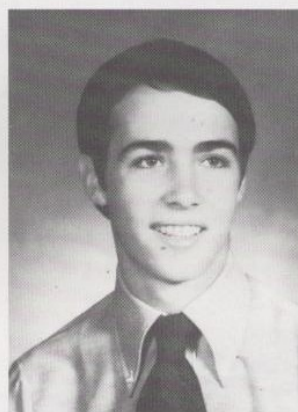

Looking back over the past four years the class has been known for their spirit and enthusiasm. They won the Homecoming spirit stick their Sophomore year, along with the Freshman. They were persistent winners of the spirit stick their Sophomore and Junior years.

It was a busy year for the class of Seventy-Five, planning, yelling and showing general all out spirit. The class showed the great Cougar Spirit by winning homecoming week and five other school pep assemblies. They counted the days until school was over to see how much longer it was till they finally became seniors.

President Linda Davidson was in charge, and the Junior class had many money making projects such as, the Junior-Senior activity, car washes, a dance and other activities.

The Sophomore class who call themselves the "Great Class" proved to be just that, as they participated in many activities. One of the great accomplishments of the class was that of winning the spirit stick at the homecoming assembly. For money making projects they sold swinger cushions, sponsored a sophomore dance and held sock hops in the gym at noon hour.

The class of 77 is one of the largest classes Gervais has ever had with an enrollment of approximately 114. They showed a lot of enthusiasm by their involvement in many school activities, including a large amount in athletics. The highlight of the year was the skit the Freshmen performed during Homecoming week, which was very much enjoyed by the Gervais Student Body. During the year, they sponsored a dance which attracted many students and proved to be very successful.
