# Senior Class

Esther Acevedo

Sylvia Aguero

The "class of 75" really showed a lot of support and spirit. They held a car wash and wax which made over \$100. They also sponsored, on Halloween, a fun night that turned out very well. Visors were also sold by the class.

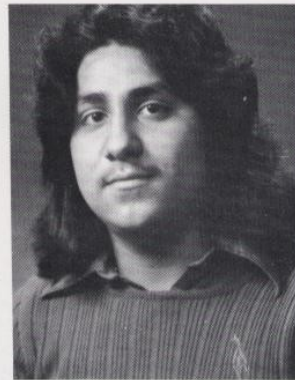

During their four years here, they recall their freshmen year when they won the Homecoming spirit stick, with the help of the Sophomores. History repeated itself during Homecoming of their Junior year when they won the spirit stick again.

# JUNIORS

The class of '76 spent a busy year. They sold Christmas trees, had a car wash, won spirit honors along with the Sophomores during Homecoming Week and set a record for cramming people in a car. They look forward to the prestige of becoming "the Seniors" next year.
