## Seniors win homecoming and food drive

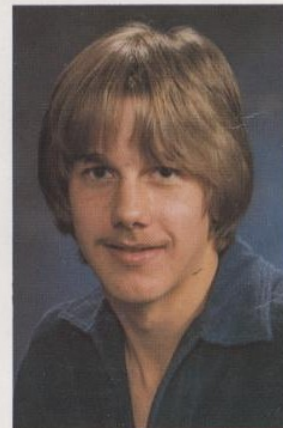

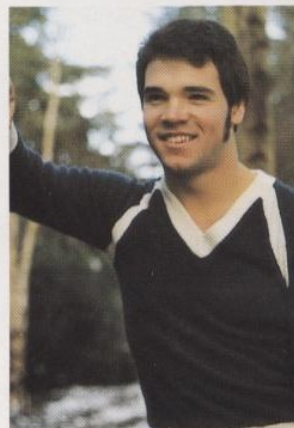

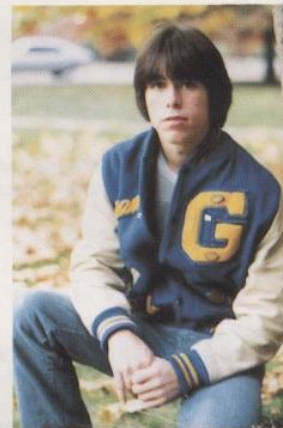

"They were a very enjoyable class," commented senior class advisor Mr. Don Kirkwood, "with as much potential as any group I have seen at Gervais."

The seniors proved their spirit and potential by winning the NHS food drive and dominating the class competition for the spirit stick. The seniors also captured homecoming for the second year in a row. The class worked hard all year to earn money for their graduation and skip day.

"There are a lot of good friends of mine in the class and I am looking forward to their future successes," commented Mr. Kirkwood on the senior class.

"Our class was a lot of fun because we've gotten to know each other," commented sophomore Shirley Ruiz. "We've become closer and I think that in the next two years we can accomplish a lot."

After two years of experience in high school the sophomores became more sure of their status in the student body.

The sophomores made up the largest class with a total of 78 students. They placed third at homecoming and sponsored the second annual Class Feud. The sophomores were also active in the sophomore dance marathon.

"The sophomores are loaded with talent and the potential to be one of the finest classes at GUHS," said sophomore English teacher Mr. Gary Everitt.

*The sophomores show their class spirit at class competition during homecoming.*

## Freshman sell the traditional Heart-o-grams.

The freshman class had a successful cake raffle, and also sold the traditional heart-o-grams for Valentines day, as their money making projects. "The class really worked at their cake raffle," commented class advisor Nancy Harper. "They were also very enthusiastic and well-organized during homecoming week." Mrs. Harper added. Vice principal Ruston Lynde commended the freshman as being the most well-behaved class in the past six years. "The freshman are more mature and seem to also be more academically inclined than the other classes" he added.

Enjoying a lunchtime snack, Kaci Koch and Susan Fershweiler man the Heart-o-gram sales table.

Accompanied by sophomore Troy Reede, Troy Neilton adds to the enthusiasm of the pep band at a home basketball game.
