Enthusiastic junior class wins homecoming week

The Junior class consisted of 68 students. "As a class they have done very well in money raisers, especially the 15 to 20 percent that participate", commented class advisor Mr. Larry Dunlap.

Some of the money raising projects that they held were the Marathon car-wash, candy sale, and concessions for home basketball games. They also plan on having more before the end of the year.

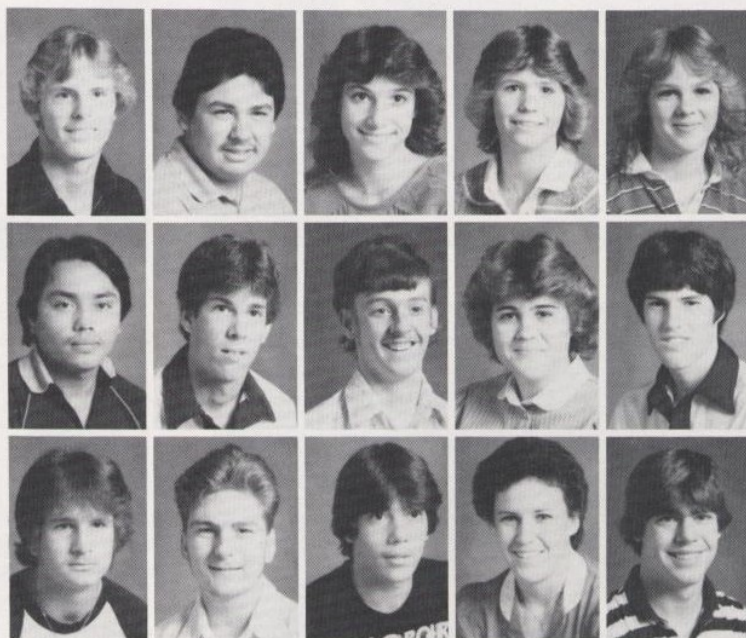

One of the accomplishments that the juniors made as a class was winning the overall spirit award during homecoming week. They also took first place in the annual NHS canned food drive.

Jill Kemp and Mary Olheiser watch the game intently, at Regis.

Tom Forney and Troy Neliton take pictures at a home football game.

Sophomores sponsor car wash and poster sale

The sophomore class, the smallest group of students, consists of 45 students. The class of 86 kept themselves busy this year by sponsoring fund raisers and ordering class rings.

Early in the year the sophomores sponsored a car wash. The car wash was a success and brought in about \$80. Class advisor, Mrs. Chris Welch commented, "there was not a lot of class participation but the kids that showed up were real workers."

During November, the class of 86 sold posters and made a profit of \$114. Future fund raisers include another car wash and the Jar 'O' Candy raffle.

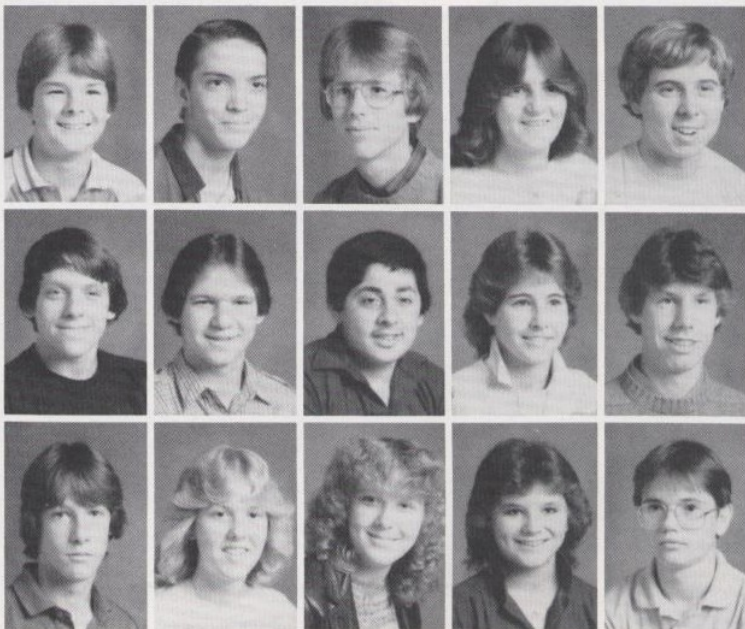

In February, class members had the opportunity to purchase their class rings from Josten Ring Company. Tracy Finley commented, "I think it's a good idea to purchase your ring your sophomore year because you have more time to enjoy it."

While Gail Daniels laughs at one of Mr. Dick Patzer's jokes, Cathy Cuff tries to hold back.

Frosh class sells heart-o-grams to raise money

The freshman class, the class of 1987, consisted of 73 students.

"The freshman class has done quite well this year," quoted freshman class advisor Mrs. Nancy Harper.

"They have worked really well together and they are very supportive of each other. They are really good workers and they are willing to work."

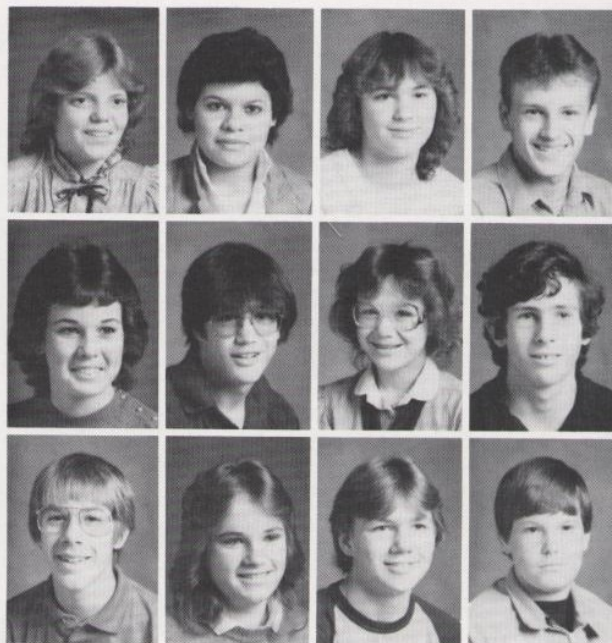

"The class officers are very good leaders," Harper said, "They are a good class."

"I think the freshman class is a good class," commented Renee Beckner freshman class president, "We have a lot of 'get up and go' and we have a lot of spirit, especially for incoming freshmen."

"Everyone is cooperative and willing to do their share," Beckner said.

"I was really surprised to be elected for freshman class president. I thought someone else was going to get it," Beckner added, "I really enjoy being class president."

The freshman class sold heart-o-grams and Skittles candy to raise money for their class fund.
