DONALD CLEMENT

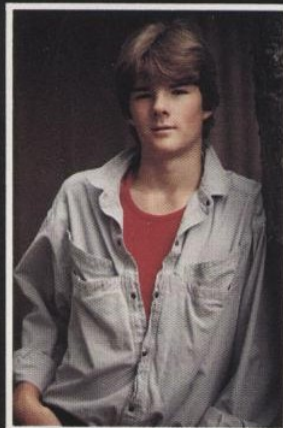

Senior class wins overall homecoming week

The class of 1986 was made up of 42 students. The smallest class in recent years. The seniors decided not to let their small size take control of the year and placed first during homecoming.

The final year was, to say the least, an expensive one. Some of the purchases seniors made were pictures, caps and gowns, announcements and other memorabilia.

Future plans, of course, were a very important step to be considered. Colleges were continually sending literature and branches of the armed forces contacted students.

Caught by surprise is Sally Contreras in 7th period Advanced Clothing class.

The Sophomore class consisted of 72 students. The Sophomore class had a lot of talent. They show it on the courts and in whatever else they participate in.

They also completed their Value-Checks money making project. The Sophomore class used their energy at the all school assemblies. They had won the spirit stick a couple of times.

"They have been great students to advise", stated Sophomore class advisor Mrs. Chris Welch.

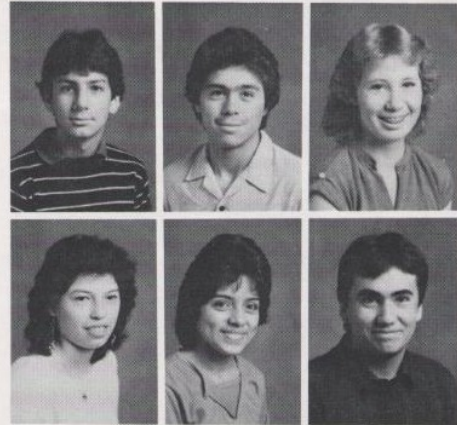

Taking time out to take a breather is Tony Pranger.

At the end of first semester, the freshmen class totaled 71 students. They were the largest class. Among the many challenges the freshmen faced were trying to make new friends, opening their locker with the right combination, and also adjusting to having seven different teachers a day. They were involved in many school activities including a substantial turn out of freshmen involved in athletics. "Homeroom volleyball was quite a challenge for us, since we had to play against upperclassmen. But our whole class is enjoying this activity," stated Class President, Cam Ferschweiler. Homeroom volleyball makes the freshmen feel on the same level with the upperclassmen. The freshmen sold Heart-o-grams which has been a Freshman tradition for many years. "I'm hoping that we sell a lot this year, since we've always had a good turnouts every year," stated Mrs. Harper.
