Send paper notices out to students, make full use of social media *and* the app (for those who do not use social media), send out emails, and call/text families who have participated in the past. Use reader boards - with ample time to sign up and use A frames - * outside!*. Sandwich boards/a frames placed inside the building of the younger grades and middle school does nothing to notify a parent unless that parent has to come into the building for something.

Put on the reader board and E-mail and send a list of of coming sits of gamers.

More talk about the sports and more advertising for the sport

Do robo calls for it since some parents work and not always do kids get flyers home to parents.

Send a schedule home w athletes and have. Parent meeting and explain to parents that playing time is not guaranteed. NOT EVERYONE IS GOING TO PLAY!!

Send home more info with elem kids. I may receive 1 flyer for sports a year

Posted sports schedules with times and locations on website, in one easy to find spot.

Community newsletter

Make available the calendar on signs, handouts, posters in public places

More awareness about state chapionship and promoting student succed

Put information on Gervais School website with the game time, date, website/zoom site etc and make sure to keep up to date on all sporting activities.

Daughter will be a freshman and it is our first time using the Heja app. I like it already!

social media, email blasts updates on district websit

Notifying parents by phone, on a timely manner.

Use texting services to inform parents as well as athletes. Emails. When athletes sign up for sports they or the parents should have an option to sign up for texting alerts or email alerts.

Complete and timely communication in a standardized method that is accessible for all... wctor

Post links on school website

All coaches should use the same sports App Post schedules, game times, and directions online (e.g., email them and send home hard copies with the kids) Advertising on FB and Instagram Create an athletic section in the Gervais App and district school's website. Make sure to update it in real time. Coordinate carpooling for kids that need rides

Better/more email communication

Good communication between the athletic department and parents and players.

Have the information at the school office as well.

Por el momento no puedo comentar muchas gracias

Put it up on the school sign

Be more clear about when and where a sports game is taking place.

Notify parents and fans of rules on attending games in advance.

Meeting

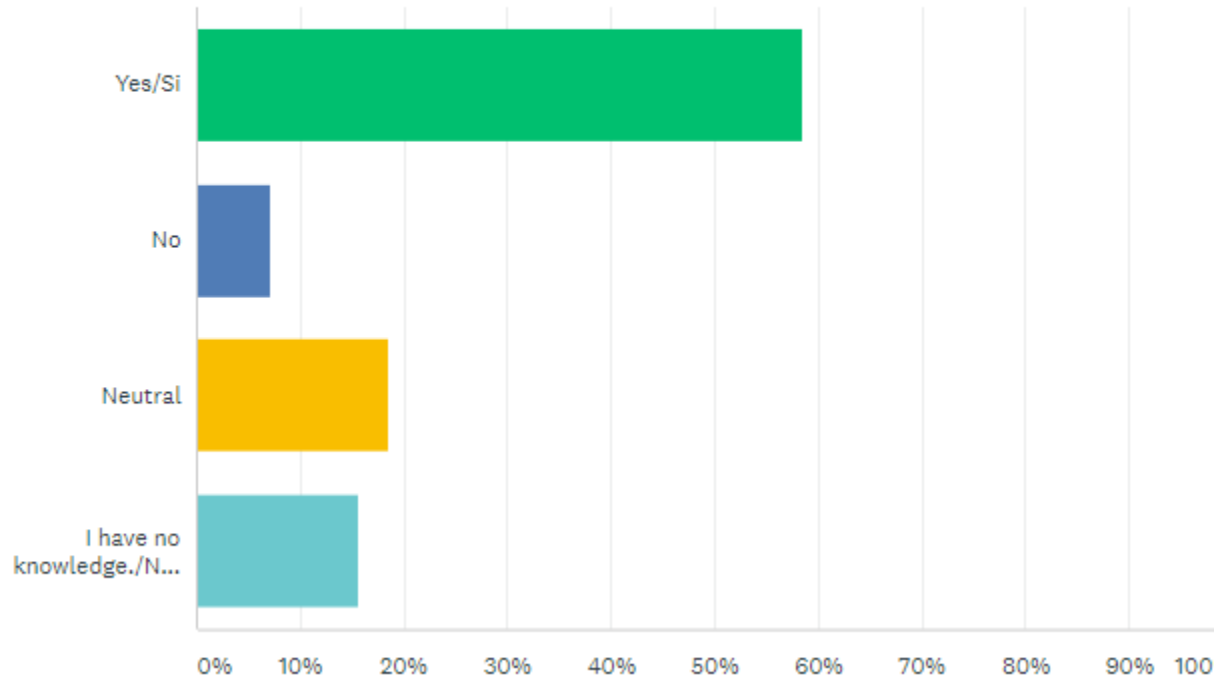

No cobrar la inscripción del deporte hay padres que no pueden cubrir los gasto

Reuniones con los padres de los atletas para pedir apoyo o sugerencias o tambien que se informe sobre las participaciones que hagan para que los padres mostremos mas interes al tema.

During the pandemic, due to restrictions set by the Oregon Health Authority, districts had to restrict the number of spectators at events. In response,

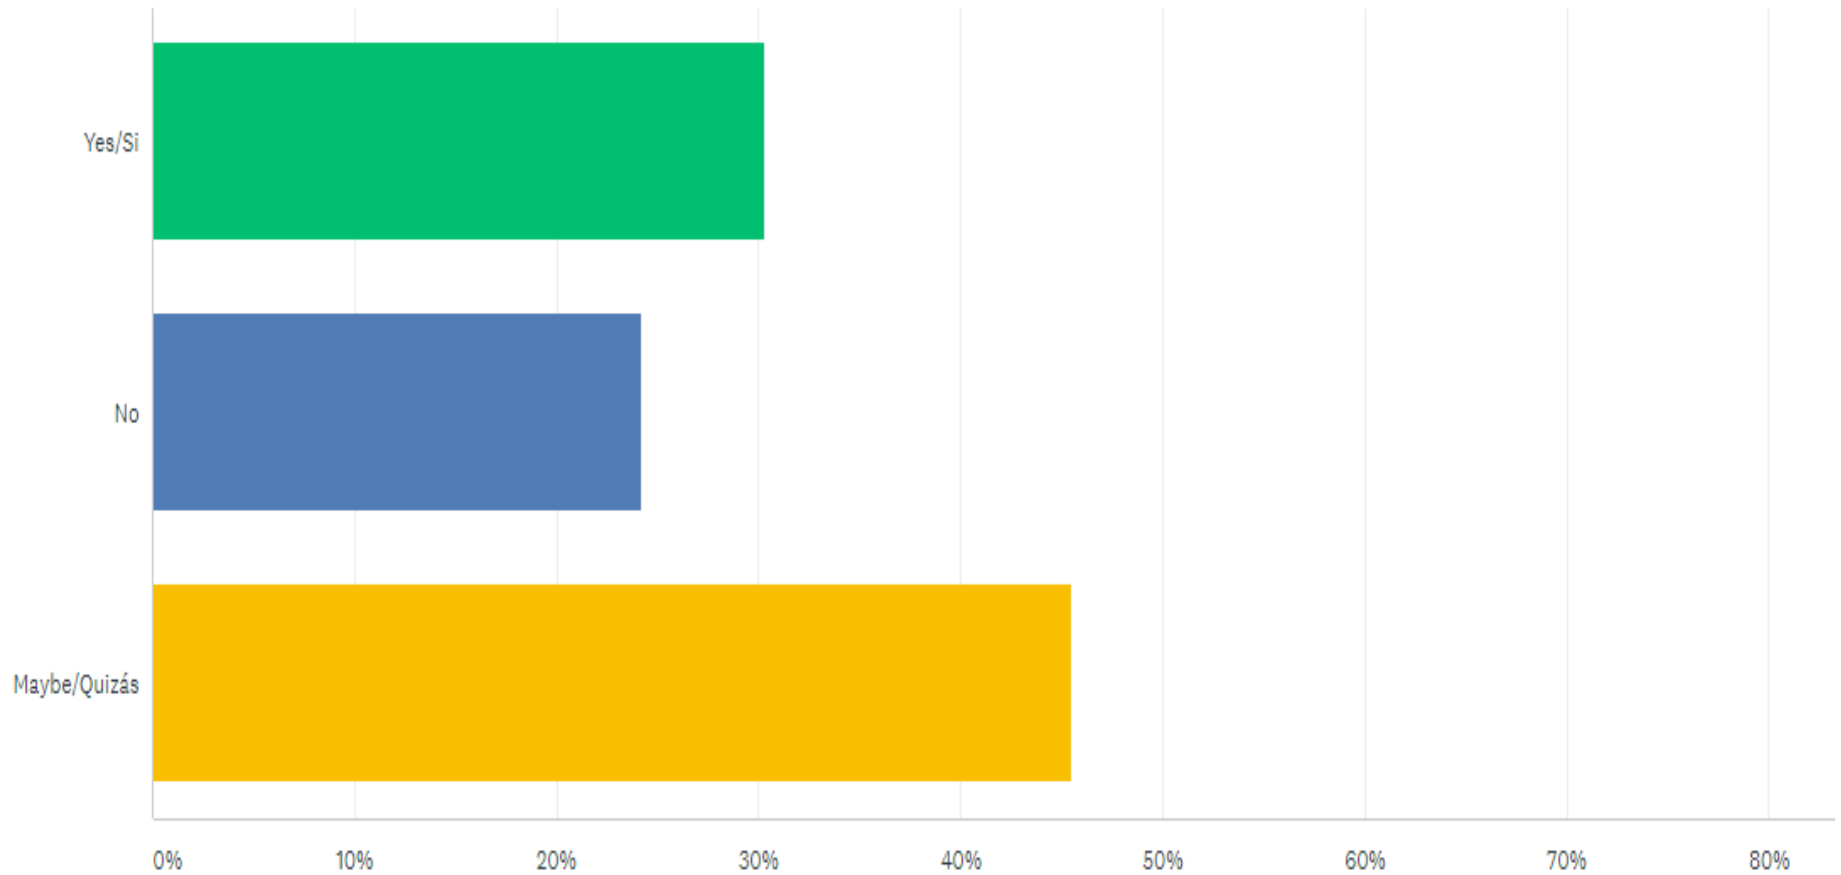

Answered: 70 Skipped: 1

(in response the district set up live streaming of events when possible)

Would you be willing to a member of a volunteer parent group that supports Gervais School District athletics and community athletics i

Answered: 66 Skipped: 5

Steps to address issues:

- Cost of Physicals—District brought a physician on site
- Fees—waived for the last 3 years
- Transportation—We have had an afterschool bus
- Practice Times—Difficult to address due to facilities.
- Cost of Equipment—We have community donations and are able to purchase things such as shoes, mits, cleats, etc.

Communication

- Weekly emails sent on Fridays to parents covering following week's activities
- Link for schedules on the GSD, GMS and GHS webpages and Facebook, schedules posted to reader board
- Coaches are all listed on Athletics page with email contact information
- Parent meeting held in the Fall for Fall sports
- There is still last minute communication and changes due to COVID issues

Uniforms and Equipment

- At end of each season and during coaches' evaluation, they will be asked for a 'state of equipment' update so department can plan accordingly

Uniforms are replaced on a cycle which has been happening

Additional Sports

- Wrestling for middle school
- Adding Golf—maybe just a Golf Club to start with—in the Spring

Facilities

- New scoreboard for football—still waiting on delivery
- New middle floor installation for gym at middle school
- Football stands, concession need work
