

## GSD End of Meeting Announcements

1. I would like us to start looking for a great GSD school, district or community picture to put on the front page of the strategic plan report. Also, someone could design a set of front-page graphics instead of a photo or both. I'll donate \$50 to the winner for a gift certificate that can be used at any Woodburn Outlet store. Dandy and I will be the judges. You can submit your photo or graphics to Dandy and me at any time on or before our April 20<sup>th</sup> meeting.
2. I will be writing a one-page "preamble" so to speak for the strategic plan report. It will give facts and figures about the district, the community, history of the area, and any other information of interest to give readers more background. If you have any of this type of information or can tell me where to find it please let me know.
3. The homework assignment for our next meeting is to send 3 mission statements from any type of organization to Jenny by March 10. Bad examples are as good for us to review as great examples. A good web source is: *makingafortune.biz* here you will find mission and vision statements and slogans but select just mission statements. Also, you can Google *Examples of Best School District Mission Statements* and find hundreds to select from.
