1	Definitely need nurse, substitute teachers, and classified staff. Mentor teachers? Not sure how they can help	10/12/2021 3:29 PM
2	The elementary school needs IA's. To me, the school nurse isn't that much of a priority. Students are coming in with so many more issues and such a range of abilities; we need support staff in our classrooms.	10/12/2021 9:34 AM
3	I would suggest a title one teacher at the elementary school to address the severe reading and math deficits due to 18 months of lost instruction.	10/11/2021 8:09 PM
4	There should have been a raise to all staff since we have been in an economic situation.	10/11/2021 4:17 PM
5	Substitutes should be more of a priority	10/11/2021 4:16 PM
6	The Middle School needs at least 2 more teachers for 7 and 8th grade	10/11/2021 3:56 PM
7	Is money being used to provide tutoring opportunities to compensate for lost learning, especially in early education?	10/11/2021 1:43 PM

ESSER III Feedback

8	I'd also add - keeping Counseling positions that were added this year and possibly adding an additional High School counseling position or making the MSW at the HS full time for just the HS. Needs are high and will continue to be with students coming off of quarantine.	10/11/2021 1:38 PM
9	I believe Middle School needs full year 7th/8th grade social studies and science. That would require a more teachers.	10/11/2021 1:31 PM

Q2 Technology:The district is allowed to use the federal funds on purchased of both technology and internet access. As needs arise, the district will continue to purchase chromebooks, internet hotspots, and staff laptops.

Answered: 75 Skipped: 0

ANSWER CHOICES	RESPONSES
I strongly agree with these priorities.	38.67% 29
I agree with these priorities.	53.33% 40
I am neutral about these priorities.	6.67% 5
I disagree with these priorities.	0.00% 0
I strongly disagree with these priorities.	1.33% 1

1	GHS needs a heavy duty copier/printer. Our current one is overworked due to higher need to adapt in every class. Also, teacher desktops are becoming obsolete - too slow.	10/12/2021 3:29 PM
2	Also, money on platforms (screencastify, Nearpod, PearDeck, GoGuardian, etc.)	10/12/2021 9:34 AM
3	I would suggest upgrading the staff laptops. The new ones we received seem to have many issues.	10/11/2021 8:09 PM

ESSER III Feedback

4	However, very few students know how to properly keyboard. Hiring a keyboarding teacher should be a priority.	10/11/2021 4:16 PM
5	Would it be possible to purchase at least a limited number of ipads for use with certain STEAM activities?	10/11/2021 4:01 PM
6	The district needs to provide parents with training on how to better help students use technology.	10/11/2021 1:43 PM
7	Hire at least 1 more full time Tech specialist, Tracy is too busy. New staff were without laptops until late Sept. Better internet connection.	10/11/2021 1:38 PM

Q3 Enrichment Opportunities:Part of the requirements of the grant include offering opportunities for students to reconnect to school, staff and their peers. With this in mind, the district has set aside monies to pay for various students clubs, supply budget for new 6-12 choir teacher, establishing a golf club for middle and high school students, after school Spanish and Russian classes, replacing/adding new outdoor basketball hoops, and buying supplies for STE(A)M

1	I really think they should have a computer teacher to teach technology, for example typing, word excel.	10/13/2021 12:44 PM
2	the priority should be aimed at clubs and sports, they seam to be overlooked much more than steam at the elementary level	10/12/2021 9:20 AM
3	More toturing help and since the high schoolers can go out side for lunch there should be no basketball hoops. Each club should raise there fundings. Money should be set aside to buy more school supplies for students and staff.	10/11/2021 4:17 PM
4	I would like the district to offer college and career enrichment opportunities that students would not experience outside of school (music and foreign language instruction) rather than recreational activities (golf and basketball) that parents and communities routinely provide.	10/11/2021 1:43 PM
5	A transportation bus for after school activities would also be vital to always have.	10/11/2021 1:38 PM
6	What about a cheerleader squad for GHS?	10/11/2021 1:11 PM
7	This is the first I have heard about a golf club for 6th through 12th graders.	10/11/2021 1:01 PM
8	Will existing clubs receive any funding? New clubs are excellent, but current clubs could benefit from funding as well	10/11/2021 12:52 PM

Q4 Other/Miscellaneous:Additional areas the district will devote funds to include an updated contactless time card system for staff, tents for elementary and middle school to provide covered eating spaces for students due to lack of capacity in current buildings, evening online tutoring, nursing supplies, budget to address student chronic absenteeism, monies for counseling department, and online evening tutoring. The district is also partnering with the city to hire a grant writer to look for grants that would jointly benefit both the district and the city. Current ideas for possible projects include a skate park, more basketball hoops, assistance for small businesses, etc.

1	If we are doing evening tutoring we should get paid a little bit more then our normal wage.	10/13/2021 12:44 PM
2	GHS needs more classroom space. Can we rent a portable or two?	10/12/2021 3:29 PM
3	Especially the chronic absenteeism!	10/12/2021 9:34 AM
4	I would like to see a focus on intervention materials, instructional personnel and professional development. Our students are significantly below grade level. For example, 100% of my students scored intensive or strategic in math and 65% of my students are reading at an emerging level.	10/11/2021 8:09 PM
5	I agree with all of it except the time card machines.	10/11/2021 4:17 PM
6	Online evening tutoring is on here twice.	10/11/2021 3:47 PM
7	I would like the district to offer community centered opportunities such as parenting and English language classes as well as library access and cultural activities.	10/11/2021 1:43 PM
8	A tent for the HS as well or more space for eating as students eat all throughout the building due to lack of space in the cafeteria.	10/11/2021 1:38 PM
9	Are there any other options besides tents?	10/11/2021 1:29 PM
10	I think the money would be better spent on a permanent structure than tents. What is a time card system and why is it needed?	10/11/2021 1:01 PM
11	Walking path at the school district to be used by staff and community. Wellness committee is looking into this, also.	10/11/2021 12:57 PM

Q5 The federal monies can be used for some facility issues such as improved air flow and ventilation. Based on a facility assessment conducted last year, the elementary school, parts of the high school including the offices, hallways, gym spaces and agricultural shops need upgrades. In response to those identified needs, the district is proposing to set aside up to \$500,000 of the grant to help offset those expenses and address those areas.

GES	54.55% 12
GMS	27.27% 6
GHS/Sam Brown	36.36% 8
Total Respondents: 22	

Q8 Is there anything else you would like the district to know or consider?

Answered: 13 Skipped: 62

#	RESPONSES	DATE
1	Teachers are burning out. We have our own families & friend needs at home (sickness, etc.) due to Covid - and we are working hard to meet the needs of stressed out students. Need more prep time somehow as we are maintaining assignments in-person - and on Google classroom.	10/12/2021 3:29 PM
2	STEAM is great, I would like to see more focus on the "arts" at the elementary level, seems as though science and engineering are what is most important and I see a lot of kids who want to be more involved in the "arts" side. Including a true art teacher would be a great addition.	10/12/2021 9:20 AM
3	Team uniforms for players and coaches to match at GMS	10/11/2021 9:15 PM
4	Please consider using funds to help students make up for lost instruction in both reading and math.	10/11/2021 8:09 PM
5	Thank you for thinking of District Nursing supplies! :)	10/11/2021 5:47 PM
6	We need to hire more Bilingual teachers. Drivers Ed should be offer every semester. A new club that involves dancing and music together.	10/11/2021 4:17 PM
7	Bring back the ECE program for next year.	10/11/2021 4:16 PM
8	The 8th grade portables need two large bulletin boards that are covered in glass and locked to show student work, announcements, and various activities going on around the school.	10/11/2021 3:56 PM

ESSER III Feedback

9	No	10/11/2021 1:45 PM
10	We are making connections in our elective class but need more funds to fund the projects. Is there money to spend on our electives or new books that were lost because students took them home during covid?	10/11/2021 1:01 PM
11	Scorers table needs to be replaced. It works well now but it's over 20 years old. Most schools are going to a LCD table with video technology.	10/11/2021 12:59 PM
12	Improve facilities for CTE programs	10/11/2021 12:55 PM
13	grandparent of a student, not a parent	10/11/2021 12:52 PM
