

Preschool/Childcare Enrollment Reservation for 2022-23 School Year

Dear Parent or Guardian,

For the past few years, the collective childcare/preschool program has not been making ends meet. Each year, the deficit has increased. We realize the importance of this program, not only for the preparation of kindergarten ready students, but also for the need in our community for affordable childcare. We have grappled with the numbers and need to increase the amount we charge for our services, in order to keep the program up and running. The rates shown above reflect a daily rate with the services beginning on the first workday for staff shown on Gervais School District's School Calendar, August 29, 2022, and services ending on the last student day on Gervais School District's School Calendar. This is a longer calendar year for preschool/childcare than we have had in the past, 2021-22 was based on a 175-day year. We have calculated the days of service provided for the 2022-23 school year, first by month, than averaging that total out into 10 equal payments.

We will need to secure a **deposit of \$100 for each child** who will be participating in one of our programs. This deposit will be deducted from your total, before averaging your amount due over 10 months. The deposit offsets your total due, but will not be refunded if you do not attend. We have full time spots available at this time. We will not consider any part time slots under we know our attendance and then, only if the staffing ratios support a part time child.

Any family with more than one child enrolled will receive a 10% discount on the oldest (lesser amount to pay) child enrolled.

Please indicate below the child(ren), you will be reserving a spot for. Sign, as your understanding of these terms and return to the business office with your deposit.

If warranted, we will prioritize based on the following:

1. Qualifying Preschool Promise Student (if grant-funded spots remain)
2. Participation in one of the two programs in the prior year (2021-22)
3. Staff of Gervais School District
4. Child within the Gervais School District Boundaries
