

Memorandum of Agreement

Between

Gervais School District

And

Oregon School Employees Association/AFT Local6732, AFL-CIO

On behalf of OSEA Chapter 135

This Memorandum of Agreement ("MOA") is entered into between Gervais School District 1 ("District") and Oregon School Employees Association Chapter 135, AFT Local 6732, AFL-CIO ("Union"). The parties met and agreed to the following:

The District is a recipient of a Latinex After School Programs Grant which provides funding for after school programs for students grades K-8. This MOU temporarily replaces the wage amounts reflected in Classification A and all rows with a flat \$25 per hour while these employees are working within the Latinex After School Grant program. On the days/hours when the grant funded activities are not in operation, the employees will remain at their regular wages. The increase in wages is in effect as long as the grant remains funded or until the end of the 2022-23 school year, whichever comes first. This temporary increase is in no way precedent setting nor a reflection of what the district may be able to pay in the future.
