NEWSLETTER #6

Oct. 10, 2022

MESSAGE FROM MRS. JOHNSON -

It is conference week. Every student was handed a paper with an assigned conference time for Wednesday, Oct. 12 or Thursday, Oct. 13 of this week. I'm happy to say the meetings are in person this year. They are being held in the middle school gym located behind the school. Please try to arrive a few minutes early to your scheduled time. If you are unable to make it, please contact the office at 503-792-3803 ext 2020 to reschedule. It is very important that ALL students attend the conference with their parent(s) or guardian(s).

They will be leading the first part of the conference and need to be here because it is a conference about them and to help them be successful. Looking forward to seeing all of you for conferences!

Please feel free to contact me at any time if you have a question or concern. Here is my email address: toni_johnson@gervais.k12.or.us

WEEKLY ACTIVITIES FOR Oct. 10 - 14

After School Program

Any readers out there? Ms. Braswell is starting an OBOB and Reading Club on Thursdays after school. If interested, students should contact Ms. Braswell.

Homework Club is every Tuesday and Thursday with Mrs. Lopez. She and mentor students are there to help. Please have students contact Mrs. Lopez to sign up.

Behavior

Now that we are a month into school negative behavior has increased. Please remind students they are expected to follow instructions the first time, be respectful at all times, and always do their best. Teachers will start calling home if students are misbehaving in their classrooms.

Conferences

Wednesday, Oct. 12th and Thursday, Oct 13th Noon to 8:00 pm in the middle school gym. Conference slips went home on Friday with your scheduled time. Contact the office at 503-792-3803 ext. 2020 to reschedule if you are unable to attend.

Outdoor School

6th Grade Outdoor School is coming soon! It is 3 days - Oct. 26, 27, and 28. Students will come to school at the regular time 8:45 am, get on the bus, and return about 5:30 pm each day. It is a fun time! Please encourage your child to go. Any students who stay behind will be put in a 7th or 8th grade classroom for the day with packets to work on.

Recess

Check Out the New Games during recess! Students are now able to sit at tables and talk, play board games, or do a puzzle. A super sized Janga game that can grow up to almost 6 feet tall was added on Friday. Groups of 3 are playing Futsal - an indoor soccer game. Students also have new volleyballs and basketballs. Starting this week, students will also be able to play wall ball and coming soon is 4-Square. It is great to see the smiling faces of the students enjoying recess.
