MESSAGE FROM MRS. JOHNSON -

It's the last week of October and the last 2 weeks of the 1st quarter. We are behind in mailing out progress reports, but you should receive them early next week. This still gives students time to turn in any missing assignments or retake tests to improve their grades. If your child is in a 6th period wheel elective with Mrs. Warberg, Mr. Mulkerin, Ms. Braswell or Mr. Roberts students will be rotating into a new wheel elective starting Monday, November 7th. Each of these students will be able to experience all 4 wheel electives before the year is over.

6th grade parents - Next week is Outdoor School. 100% of the 6th graders have turned in their permission slips! Of course the weather has changed to mostly rain. The 3 days are spent both inside and outside. Please make sure students have some type of jacket to wear when they go out in the rain. If your family does not have rain gear to wear, please contact the office by Monday to see if we can get something for him or her to wear for the 3 days.

Please feel free to contact me at any time if you have a question or concern. Here is my email address: [toni\\_johnson@gervais.k12.or.us](mailto:toni_johnson@gervais.k12.or.us)

Be Proud to be a Wolverine!

### **New Students**

GMS has been adding new students to each of the grade levels. We want to make sure they feel welcome. Being new to a school is a scary time. Please talk to your students about being kind, helping them out, and showing them where to go. Who knows? He or she could become your child's best friend!

### **Outdoor School**

6th Grade Outdoor School is this week. It's 3 days - Oct. 26, 27, and 28. Students will come to school at the regular time 8:45 am, get on the bus, and return about 6:00 pm each day. It's a fun time! Please encourage your child to go. Any students who stay behind will be put in a 7th or 8th grade classroom for the day with packets to work on.
