Progress Reports

2nd Quarter progress reports were mailed out Friday, Dec. 16th. This is to let you know what grades your child currently has in all of their classes. When we return from Winter Break there is only 4 ½ weeks of school left until the end of 1st semester. 8th graders need to be especially on top of their grades. They must pass all classes to walk in promotion. Have your child talk to their teacher about their grades if they need help.

Boys Basketball

Any 7th and 8th grade boys interested in playing basketball - there will be a meeting during lunch on Wednesday, Jan 4th. If they have played sports this year or last year, they do not need to have a new physical. If this is their first sport, get a school physical over the break so you are ready to practice and play in the first game.
