Wearing Rosary Beads

An announcement was made last week about students wearing rosaries. First of all, it is ok if students wear a rosary inside their clothing or carry one as prayer beads. Unfortunately, with the rise of gang activity religious rosaries have become part of gang clothing. As an overabundance of safety, I am asking that students not wear rosaries as a necklace. I would hate to have them mistaken as a gang member.

Warm Weather and Dress Code

School is the student's place of work. Please make sure your clothing is appropriate and safe for PE and outside activities. We will try to be outside more now that the sun is shining. Reminder - No gang clothing, pajamas or clothing with drugs or alcohol on them.
