MESSAGE FROM MRS. JOHNSON -

We are getting down to the last month of 1st semester. Some students are doing great while others are struggling in various ways. Please talk to your child about school, their grades, and attendance. I will be meeting with several students and their parents/guardians this week to discuss ways to help their child be successful. I believe every child can do well with help from the school and you, the parent/guardian. It takes all of us working together to help grow our children into successful human beings.

Please feel free to contact me at any time if you have a question or concern. Here is my email address: toni_johnsongervais.k12.or.us or phone number at GMS 503-792-3803 ext. 2020.
