MESSAGE FROM MRS. JOHNSON -

Will there be snow? That is the big question. It depends what weather app you go to for Gervais. Luckily we do have a three day week-end - No school on Monday in celebration of Martin Luther King. January is always a tricky month for weather.

Everyone be safe. Drive carefully, stay warm and we will see everyone back on Tuesday, January 16th at 8:00 am.

Please feel free to contact me at any time if you have a question or concern. Here is my email address: toni_johnsongervais.k12.or.us or phone number at GMS 503-792-3803 ext. 2020.

Proud to be a Wolverine!

Ms. Aloha's Words of Wisdom 😊

ASPIRE is a program that creates a culture which focuses on career and college readiness. Having ASPIRE will allow GMS to create a College and Career Family and Student Night. This night will be in May, so keep an eye out for more information.

With GEAR UP, Find Your Grind and ASPIRE (all college and career programs that are implemented in the middle school), we want students to start thinking and exploring their future careers, and continue their education by going to a college or a trade program. Please start talking with your child about the importance of attending and doing well in school. Middle school is the foundation of high school success.

If you have any questions, please contact Aloha Yoshinaga, Gervais Middle School Counseling, at aloha_yoshinaga@gervais.k12.or.us or 503.792.3803 x2024.
